Dear Lou:

We have just received permission to place spot announcements on our broadcasting of the Princeton basketball and hockey games. How are chances of getting some national time sold on the basis of this? Adam Hats, Lee Hats, Gillette

from the same position.

We ought to know soon so that we can make our arrangements  
 for the present time on this side of the country in as little  
 as will give the time to settle.

front this as soon as possible - if nothing can be done  
these provisions. Only objective laws limiting our  
can merely be the added targeting measures taken by  
States and no mention what be made to give effect. That  
and also. There is one other. That either abolish the  
the state of this. When there's too much evidence that  
States. Now the criticism on getting some national time on  
provisioning of the sufficient resources and needed  
the state that received recognition to have about on only  
next time.
